

Product Information Statement

VICTORIA

- **Explicit Informed Consent** - I acknowledge that I have willingly agreed to have Jackgreen become my electricity retailer for this premise. By accepting this agreement I am verifying that I am over 18 years of age and authorised to change the electricity retailer for this premise.
- **Transfer to Jackgreen** - I understand the transfer of my electricity account to Jackgreen will occur on the date of my next meter reading and that this could take up to 90 days. Consequently, I will receive at least one more bill from my current retailer.
- **Rebates** - I understand that if I currently qualify for Pensioner or Life Support Rebates, then this will not be affected by the switch. I understand that I will need to provide the representative with my pensioner card number. I understand that I will need to provide Jackgreen with a medical certificate to be eligible for the Life Support rebate.
- **Credit Assessment** - I understand Jackgreen may complete a credit assessment on all new customers and if I have an unsatisfactory credit rating Jackgreen may elect not to proceed with this agreement, or may require a security deposit.
- **Privacy Act 2001** - I give Jackgreen permission to retain my personal information on file to be used for the purpose of connection, supply and billing of electricity to my premise.
- **Previous Consumption History** - I authorise my network operator to disclose to Jackgreen my electricity usage data for this premise address for the 12 month period prior to my last meter read.
- **Cooling off period** - I understand that this contract is subject to a 10 business day cooling off period. This cooling off period will commence from the day I accept the agreement to transfer my electricity supply to Jackgreen.
- **Tariff and Fees** - I understand that Jackgreen may vary the charges should a fee, charge or tax be increased or introduced by the government, regulator or Network Distributor.
- **Contract term and termination** - I understand that this contract has no fixed term and I may cancel at any time without penalty so long as I do so in writing (email, fax or mail). There is no minimum notice period to cancel and the cancellation will take effect as soon as Jackgreen receives your cancellation letter. If I terminate this agreement without written notice a \$49 termination fee will apply.
- I agree, acknowledge and understand that the agreement between Jackgreen and I consists of the Terms and Conditions, Product Information Statement and the information that I have supplied to Jackgreen.
- **Offer Discount** - I will receive a 5% discount on energy rates and supply charges only, when Jackgreen receives full payment of my account on or before the due date. This will be calculated as a credit and applied to my following bill.
- **Eligibility Criteria** - I acknowledge that in the information that I have provided to Jackgreen is true and accurate. The rates I will be charged are reflective of the network tariffs for my specific supply address (National Meter Identifier) nominated by the local Network Service Provider.

About this document: This product information statement is presented in accordance with the requirements of the Essential Services Commission (ESC) - the independent regulator of the energy industry in Victoria. For information about the ESC's product disclosure requirements, choosing an energy retailer, or to compare this information with your current circumstances using the ESC's Energy Comparator, visit www.esc.vic.gov.au.
